DIRECTOR'S NOTE

Directing the V-Show has always been my passion because working with such an array of people with the end goal of creating a masterpiece that showcases so many different facets of the school is simply exhilarating. When it came time to confront the plethora of challenges to produce this year's V-Show the team of adult directors and student directors had to be open-minded, optimistic, and creative. To help you understand our challenges, I have organized this table for your reference:

| <i>What they told us:</i> | <i>How we responded:</i> |
|---|--|
| We can still have a V-Show this year but we can't have it in the theater with a live audience. | OK , we will make a movie!  |
| We can rehearse outside, but the football stadium is not an option due to repairs. | We love the RMHS parking lot! |
| We can rehearse via Zoom. | "All I want to do is zoom-a-zoom-zoom-zoom" |
| We can bring in groups to film, but only one per day and you can only meet for two hours maximum and only have a maximum of 25 people in the theater (including performers, directors, and tech). | Yeah, that's cool, we got this! |
| We have to check everyone's temperature every day and ask them a series of Covid - 19 symptom questions. | Can you please give us an official V-Show thermometer? |
| Oh yeah and wind instruments can only be played outside or at the performer's home. | We love garages and the back parking lot outside of the band room! |
| We can't sell tickets, so we basically have no budget. | If you would like to donate to tonight's show, please call the main office 847.718.5619. |
| Can you meet these guidelines? | Yes, but can you please buy us a drone? (Ms. DaRocha said yes) |

There are those in life who think that they can't. Then there are those in life who worked on this year's V-show who KNEW that they could. I am so proud of this positive and dedicated group, and I know that the lessons they learned working on this show will prove to make every single one of them incredibly successful in the future. Thank you Sean, Joe, Samantha, Elizabeth and all of the Student Directors. Now go get comfy and stay healthy at home because The Faculty Directors and Student Directors are beyond proud to bring you "V-Show: An RMHS Original Series."

Kate McNally
Director

STUDENT DIRECTOR OVERALL BIOS

ZACHARY KURKA is completely overjoyed to be an overall director for this year's V-Show! Ever since his freshman year performing in V-Show, he has been drawn to the role of an overall director. Throughout the years, he has also participated in Orchestra, Band, Jazz Band, Chamber Orchestra, District Honors Orchestra, National Honors Society, Tri-M, and Thespians. He has also been widely involved in the theatre program, performing in the ensemble for Cats and Into the Woods, doing tech crew for On the Razzle, 1984, Almost Maine, Comedysportz, and Essence, and joining the pit orchestra for Shrek the Musical. Next year, he hopes to move on to earn his bachelor's degree in psychology, beginning his educational pathway in clinical psychology. He would like to thank Mrs. McNally and his fellow directors for pulling off a spectacular show despite all the difficulties along the way, as well as his parents for supporting him through all his four years. He would also like to thank his friend Spencer North for being the first to invite him to join V-Show, as well as his sister, Kelly, for joining him in his final year.

MORGAN PAOLI is absolutely elated to be one of the Overall Directors for this year's Variety Show. As a four year V-Show member performing as Emcee and in Individual Acts, being a student director has always been a dream of hers. Morgan is also a four year member of Theatre, heading the costumes for nearly every production, Orchestra, Track and Field, Class Council Executive Board, Speech and Acting Team, and many other extracurriculars and honor societies. Next year, she would like to attend a four year university to pursue History Secondary Education. Morgan would like to thank her older sister, Madeline, for taking her to her very first V-Show in sixth grade and introducing her to the beautifully diverse art that V-Show creates time and time again. She would also like to thank her parents, family, friends and teachers for their endless support and helping her get to where she is. Finally, she would like to thank all of the student directors, especially her Co-Overall Directors, Emma and Zack, Ms. McNally and the rest of the wonderful faculty directors, her amazingly talented emcee partners, Andrew and Annie, and every single participant in V-Show over her last four years for giving her an incredible V-Show experience that she will never forget.

EMMA WOZNIAK is thrilled to be an Overall Director for this year's V-Show production! Ever since her debut performance of Issachar in "Joseph and the Amazing Technicolor Dreamcoat" at age 7, Emma has been in love with the theater. Since her first year on Continuity during her sophomore year, Emma knew how special V-Show was, and knew she wanted to be an Overall Director during her senior year. Thankfully, her dreams came true! She has been in nearly every RMHS theatrical production during her four years of high school, including 1984; CATS; On the Razzle; Into the Woods; Too Much Light; ComedySportz; Almost, Maine; Shrek: The Musical; and she has student directed Rolling Meadows' first radio plays, It's a Wonderful Life and Nevermore! Emma is also the current President of the Thespian Society. Outside of the fine arts program, Emma is the President of the National English Honors Society, a Council Member of the National Honors Society, and an RMHS representative on the Talent Development Program Student Leadership Committee. Emma would like to thank her Mom for driving her back and forth from hundreds of rehearsals, her Dad for teaching her to never give up, the rest of her family for always supporting her, and Ms. McNally for giving her the amazing opportunity to play such an exciting role in one of Emma's favorite RMHS experiences.

STUDENT DIRECTOR CONTINUITY BIOS

JAYLON GOLDEN is so glad to be a V-Show Continuity Director! Getting involved with the Arts has loomed over his head since freshman year, but he finally took the opportunity sophomore year with his first show, Too Much Light Makes The Baby Go Blind. After that, Jaylon's love and commitment with theater had been cemented and further proved with his involvement in: Into The Woods; Almost, Maine; It's A Wonderful Life; Shrek: The Musical; Romeo & Juliet: A Comedy; and Nevermore! He finally decided to jump on the V-Show train his junior year, participating in two individual acts and the comedy group, Continuity! Jaylon had a feeling he would want to be part of something as special as this for his last year of high school, and his gut never lied to him. Jaylon has shared his talents with multiple clubs and extracurriculars, such as National FFA, the International Thespian Society, French Club, Speech Team, and a 4 year member of the AVID program and United Young Sisters & Brothers. He plans to attend a four-year University to study Animal Sciences and get his doctorate degree as a small animal veterinarian. His ultimate goal is to become a series regular on a television show on a large broadcasting network such as NBC, Disney, or BET (he's not picky!). Jaylon would like to give special thanks to his mother for always telling him to follow his dreams, Mr. Radcliff for having his back in all situations on the daily, Mr. Bourn for making seminar a safe place to escape from the hardships of life, Ms. Anderson for showing the power & excellence that lies in his skin, and Ms. McNally for being his inspiration to be a better person. We can't wait to see what big things are in store for Jaylon after he completes his journey at RMHS!

MAX COLLINS is ecstatic to be a V-Show Continuity Director this year! Max started to become invested in the performing arts his freshman year, when he was on the tech crew for the RMHS production of Cats the musical. His sophomore year, he decided to take a chance and try out for Continuity, and that helped him discover his love for the stage. Since then, Max has been in several productions such as: Too Much Light Makes the Baby go Blind, Almost Maine, It's a Wonderful Life: a Radio Play, Comedy Sportz, and Nevermore. He plans to go to a four year university to study theatre education, but is open to whatever life brings him. Max also is well versed in several other forms of art such as: music and writing. Art is the most important thing to him, and without it he wouldn't be who he is today. Max still remembers his freshman year V-Show, and the magical energy that seemed to emanate from every single person in the show. That feeling is always present when Max is in the theatre, bringing it with him wherever he goes. As this is Max's fourth and final V-Show, he is ready to say a bittersweet goodbye to V-Show, but with good spirits as he knows that feeling will still be in the theatre when he is gone, like a whisper of excitement to all the new faces walking in the theatre for the first time. Max wants for all those still here next year to enjoy it, and to remember: the show must go on
